

Our Vision

Providing mental health treatment services in a community-based residential setting to boys with emotional and psychological needs to enhance their overall quality of life.

Our Services

- On-site therapy services by licensed mental health professionals, including individual, group, and family sessions;
- Parent support groups;
- Psychiatric evaluation, consultation, and medication management;
- 24 hours a day, seven day a week supervision & support;
- Linkages to community-based substance abuse treatment services;
- Tutoring, monitoring of educational progress and educational advocacy;
- Education and training in nutrition and other daily living skills.

*4011 Barrington Road
Baltimore, MD 21207*

- Located near schools and public transportation in Baltimore City.

*8911 Oak Lane
Fort Washington, MD 20744*

- Located on a 2 1/2 acre lot in suburban Prince George's County.

Admission Criteria

Admission to the GUIDE Therapeutic Group Home is most appropriate for adolescent boys, aged 13 to 18 who:

- have a DSM IV diagnosis;
- need a therapeutic level of care;
- are ready for a non-institutional community-based setting.

Referral

Working collaboratively with referring partners in order to best serve our residents is one of GUIDE's highest priorities.

Please send referral packets to:
